Legislative Query On Squaw Valley Asked By Chappie

SACRAMENTO — (CNS) — Assemblyman Eugene A. Chappie, R-Cool, has called for a legislative investigation into operations at Squaw Valley, including a check into rumors it receives preferential treatment over other state parks and there is a "hot line" between the administration of Squaw Valley and the governor's office.

Chappie had commented recently about reports of unsafe operation at the ski area operated by the state's concessionaire.

"Since my statement last week regarding the operation of Squaw Valley, I have been deluged with mail and phone calls, Chappie said. On the basis of these and other reports, he said, "I shall immediately request that a thorough investigation be made by appropriate committees of the legislature into the total operations at Squaw Valley."

Chappie said he had received some threats of political reprisal if he continued to raise questions about the Squaw Valley operation.

"I do not care to indulge in any name-calling contest, Chappie said, "because the important thing is to find out if there are faults in this operation and correct them. However, I will not be intimidated by threats to my political furture by anyone, and I intend to pursue this matter to its successful conclusion."

In response to Chappie's "inquiries," Fred L. Jones, state director of parks and recreation, pointed out that most of the operations there are carried on by two private firms and the state enforces a snow safety plan on the ski slopes.

Jones denied a claim by Assemblyman Chappie of a "rash of accidents" at Squaw Valley.

Chamber Programs For Beautification

The Truckee-Donner Chamber of Commerce beautification committee will meet next Wednesday, March 30, at noon, in Smart's restaurant. Chamber president Daven Morey urges that all interested in improving the general aspect of Truckee and its surroundings attend the meeting prepared to actively participate in the discussion.

"From our own observation and from critical comments by casual visitors," Morey said, "we know this is a tremendous undertaking which will require constructive, affirmative cooperation by the entire community, as well as its concerned friends outside the area."

The chamber met yesterday, with District Attorney Harold Berliner as speaker. Berliner is a state director of California Tomorrow, an organization dedicated to beautification and planning for California communities. He presented several ideas on how other towns, with similar problems, proceeded with programs of self improvement.

Specifically, the speaker pledged his assistance in removing junked, abandoned derelict cars from the landscape under county ordinance. He requested that appropriate instances be called to the attention of his office in Nevada City for action.

Don Beck Candidate For Utility Board Spot

TAHOE VISTA— Realtor Don Beck has filed his candidacy for a position on the North Tahoe Public Utility District board, to succeed W. Mizner, who is not a candidate for re-election and who has moved from the district.

Beck is president of the Tahoe Sierra Board of Realtors; president, North Tahoe Community Club; director, Placer County Chamber of Commerce; secretary, Tahoe adviosry committee, county planning commission; director, Save Lake Tahoe, and member of a committee to incorporate a city in this area.

Beck stated he feels his engineering background adds to his qualifications to serve and he is well versed in problems facing the lake regarding sewage disposal.

The district election is set on May 3.

County Trade Board O.K.'s Fly-In Support

At its meeting last week, the Nevada County Board of Trade voted $125 to the Truckee-Donner Chamber of Commerce to assist in promotion of the Fly-In at the local airport June 18-19.

Other east-end projects considered were:

Donner Area Jaycees, granted $400 for advertising the First Annual Donner Summit Road Race; denied $200 toward 1966 fireworks display.

A request of the Truckee-Donner chamber for $2,500 to cover cost of brochures to advertise Nevada County, emphasizing the eastern portion of the county, was discussed but no action was taken.

The board will present its tentative 1966-67 to the supervisors on April 1.

Donner Season Set for Opening, Ice Remaining

The Donner Lake trout season opens one hour before sunrise on Saturday, April 2. The daily bag limit from April 2 through June 5 is 10 trout or 10 kokanee or any combination of these species not to exceed 10 fish. The daily bag limit from June 6 to October 31 is five fish.

The ice is breaking up on the lake and a large area at the east end is entirely clear. At this time it looks like the lake will be almost completely clear of ice when the season opens.

If the weather continues warm the kokanee fishermen should have a good weekend. Shore anglers should also do well in fishing for rainbows and browns. Many of last year's catchables will be available to fishermen and many will go to 13 and 14 inches.

Right now everything depends on the weather and if it remains warm and clear, the prospects for a good opening weekend are excellent.

Chain Code Violators Found Guilty, Fined Before Judge Wilson

Two Reno men were convicted in the Truckee Judicial District Court on charges of installing tire chains without permits.

Martin Harvey Coe, 35, and Charles Franklin Phillips, 27, each was fined $55 and the former also was sentenced to five days in jail. They had entered innocent pleas and asked for a court trial.

Coe was cited on April 20, 1965, but failed to respond to the citation and a bench warrant was issued on May 1, 1965. He still did not appear in court and was arrested in February of this year on a charge of installing tire chains without the required state permit and was accused of flagging down cars to ply his trade.

Coe defended himself in court and District Attorney Harold Berliner conducted the prosecution in both cases March 17 before Judge F. W. Wilson.

Berliner said he will continue to prosecute violators of the tire chain business in an effort to "improve the image" of this area from which numerous complaints have been filed by motorists who charged they were swindled by "chain monkeys" operating along Interstate 80 during snowstorms.

While many of these complaints have been without justification, he said, there are instances where unfair practices have been noted.

High School Students Set Carnival Sat'day

The student body of Tahoe Truckee high school is sponsoring a benefit carnival next Saturday night at the school, west of Truckee.

Bob Fugazi reports that booths, games and refreshments will be featured from 7 to 10 p.m., with dancing to live music continuing until 11 o'clock. Proceeds will go to help finance various student activities at the school. The public is welcome.

Co-Op Nursery School Has Varied Activities

The Truckee Parent Cooperative Nursery School has two new members, Penny Morton and Evelyn McQuarry. With the enrollment of their two youngsters, Chris Morton and Pat McQuarry, the maximum enrollment has almost been reached.

Through the arrangements of Mrs. Lois Hickey, special events chairman, the children greatly enjoyed the visit of Officer Arlie Fisk from the California Highway Patrol, who explained the various specialized equipment used by their office, such as their uniform, gun belt, and, of course, the patrol car with the two-way radio, flashing red lights, siren.

Mrs. Roberta Huber, former special events chairman, was responsible for the many interesting trips the children had in the past.

Mrs. Jerri Hendrickson reports that plans for the Spring Thaw which will held on April 16 are progressing.

During the period 1960-64, 148 players died from injuries incurred while playing football.

District Officials Boost Fly-In On Extended Tour

Director Zeph Rose and Manager Andrew Creglow of the Truckee Tahoe Airport District flew to Santa Monica where they attended a conference for the purpose of establishing accounting procedures for airport districts.

It was decided to hold the next meeting in Truckee to be attended by representatives from the State of California, airport districts and their families.

On their way back to Truckee, the two local representatives made a stop at San Luis Obispo where a meeting was held with the California Council of Aviation Associations.

The enthusiastic support of this large group of fliers was secured for the third annual flyin to the Truckee Tahoe Airport.

The program for the coming flyin was developed by the Truckee Tahoe Hi Flyers and Director Tom James of the airport district and will include helicopter fishing trips in the area and the popular fun package at Lake Tahoe.

During the past years, the district has been attempting to secure scheduled airline service for the community and efforts are being made to consumate a plan with an interested air carrier to initiate service, Creglow said.

Pat Sutton Nominated To Be President For Truckee School's PTA

The Truckee Elementary PTA met Monday night, March 21, to select next year's officers. Marie Schooley, nominating committee chairman, announced the following nominees: Pat Sutton, president; Marigrey Fish, secretary; Evelyn McQuary, treasurer; Alice Best, historian; Shirley Gini, parliamentarian. The members elected the nominees as next year's officers.

Dwight Souers announced the Truckee-Tahoe High School benefit dinner to be held April 29 at Crystal Bay. The money raised is to be used for scholarships.

Don Westbrook announced Pack 7 from Truckee would participate in the Auburn Sierra Tahoe Scoutorama, Saturday, March 26 from 1 p. m. to 9 p. m. Anyone interested is invited to attend.

Mrs. Kitty Money announced a swimming pool committee meeting to be held April 1 at 3:30 p. m. at the county building and anyone who would like to see the swimming pool campaign continue, should attend.

The elementary school band, under the direction of Richard Small, made their annual appearance at PTA. They were wearing new red vests and look very smart as they played so beautifully. Janelle Sassarini made the vests for the band and Shirley Gini, president, thanked her for doing such a beautiful job.

Miss Paula Conant won the room count and Harry Causey won the door prize. Refreshments for the evening were furnished and served by second grade room mothers.

CAP Squadron Honors Departing Officer, Wife

Lt. Col. R. E. Moist, commanding Truckee CAP Squadron, has advised members of a squadron meeting tomorrow night, March 25, at 8 o'clock. The unit will gather at Truckee airport to honor the departing operations officer, Lt. Charles Fink, and his wife.

Mike Ellis heads the committee on refreshments. Because of the special occasion, there will be no training and business session tomorrow night.

Dolley, Tonini Again Named to Commission

Since no additional candidates filed, the Nevada County Board of Supervisors last week cancelled an imminent election in the Truckee fire district. In taking the action, the board certified veteran incumbent commissioners N. F. Dolley and Elden Tonini for new terms on the board.

Church Bake Sale

The Church of the Mountains, Truckee, Sunday School will sponsor a bake sale Saturday, April 2, at Z Market in Gateway. The proceeds will purchase new material. Sunday School classses are now meeting each Sunday morning from 9:45 to 10:45.

Layton Gets Top Tally at Election of Airport Board

A three man contest for two seats on the Truckee Tahoe Airport District board of directors pulled out a heavy vote for a local election Tuesday, resulting in the selection of a new member by the highest vote.

Unofficial but virtually complete tally of the five precincts, according to District Manager Andrew Creglow, gives William B. Layton, Jr., Tahoe City utility district managed, 318; Jack C. Domergue, Jr., Squaw Valley, telephone company manager, 295; Thomas L. James, Tahoe Vista businessman, 201.

Domergue and James were incumbents.

Layton polled 192 at Tahoe City, to 144 for Domergue and 65 for James. Kings Beach favored Layton 69, giving James 54 and Domergue 47.

Truckee gave Domergue top vote, 81, with James 66 and Layton 49. Soda Springs cast 13 for Domergue, 10 for James and five for the leader. Floriston tallied 10 Domergue, six James and three Layton.

The district board will meet at the airport the first Tuesday of April at 7:30 p. m. to officially canvass the ballots and certify the results, Creglow stated.

Basketball Awards Slated at Banquet

The adult basketball program here will conclude this Friday evening with an awards banquet at Smart's Cafe. Actual play ended last Friday with the finals in the Truckee invitational tournament in which 16 teams competed. All the Truckee teams were eliminated by the second round of play. The winners of the tournament were Stead AFB with the championship, ABC Block of Reno, second, and Security National Bank, Reno, third.

In the Truckee league, Donaldson's Cafe won the championship with a 10 and 2 record. Vail's was second, Marier's Marauders third and Tourist Liquor Store-Smart's Cafe team was in the cellar.

Leading scorer for the season was Don Douglas of Vail's Drug team and Most Valuable Player is Ron Gallagher of Donaldson's.

High pointer Douglas hooped 284 points, averaging 23.67. The others in the league's top ten marksmen were Randy Bobby, 221; Bill Ransom, 213; Ron Gallagher, 212; Rex Donaldson, 182; Jim Smith, 165; Doug Baxter, 146; John Firpo, 123; Craig Robinson, 122; Dale Freeland, 109.

Tahoe G.O.P. Women To Tour State Capitol

The North Lake Tahoe Republican Women's Club has planned a tour of the state capitol in Sacramento Wednesday, March 30, for their next meeting.

They will be greeted by Assemblyman Gene Chappie at 10:30. The visitation will include the assembly, the senate and committee sessions scheduled for that day. Luncheon is at the Hotel Senator with Assemblyman Richard Barnes of San Diego as guest speaker. The afternoon speaker will be the assembly minority leader, Robert Monagan of Tracy.

For reservations, please call Mrs. Bill Briner, 583-3501, Tahoe City.

Squaw Valley State Park On Commission Agenda

On the agenda for a meeting of the state park commission at San Francisco Friday, March 25, is determination of declaration of purpose for the Squaw Valley state recreation area. Seven other state park areas will also be given similar consideration.

By defining the unit and its values, the commission report states, the basis for master plans and guiding principles for future development will be established for that particular area.

Boca Native Dies

Mrs. Nellie M. Berry, 77, died last week at her Taylorville home. She was a native of Boca.

Funeral services were held at Hooper-Weaver chapel in Grass Valley on Saturday. Her husband, William, died in 1962. She is survived by four sons, two daughters, two brothers and two sisters. . . .

First Fire of Season In Forest District, In Spite of Snow

"The fire season is early this year. It behooves us all to think about this a little bit," stated Henry Toccalini, fire prevention officer for the U. S. Forest Service station in Truckee.

Toccalini reported the first fire on the local district occurrred Tuesday afternoon, just east of Hirschdale. It was reported by members of a Southern Pacific track crew working nearby, who helped contain the fire. It burned over half an acre between old Highway 40 and the railroad tracks.

Aside from the certainty that the fire was "man caused," the exact source is still being investigated, Toccalini says. Meanwhile, he urges that local residents and forest users be alert to the present and increasing danger of fire, despite the snow still on the ground in many sections.

Accidents Occur In Recent Snowfall

The Truckee office of the California Highway Patrol reports the light snowfall last Saturday caused a car driven by John Costa, Oakland, to go out of control near the Donner interchange, plunging it about 300 feet off the grade. Costa's wife was his passenger. More serious consequences might have resulted but the driver was operating at between 30 and 40 miles an hour when he lost control.

Two University of Montana students, Rene John Krier, 19, of Missoula, Mont., and Daniel Dusenberry, 19, Monroe, Conn., were injured when their car skidded and overturned near the Castle Peak interchange on U.S. 80.

The patrol reported the car driven by Krier was traveling west Saturday evening, without chains,

Republican of '81 Presented to Sun

The Sierra Sun and Truckee Republican is indebted to Fred W. Clemens of Spokane, Wash., for an issue of the bi weekly Truckee Republican of Wednesday, August 17, 1881. His late wife was the daughter of J. J. Weisenberger. The latter with A. O. Porter formed a copartnership to publish the paper.

Weisenberger was a young attorney of Nevada City and in 1880 he married Laura Graham, also of the county seat, making their home here for two years before leaving for Bellingham, Wash. He was in command of a brigade in the Philippines during the Spanish American war and was deceased in 1901.

Defendants Convicted In Trials at Truckee

Court trials in Truckee before Judge F. W. Wilson yesterday resulted in convictions of two defendants, according to District Attorney Harold Berliner, who prosecuted.

Herman Vollemdorfer, 28, Mississippi, was found guilty by the judge for illegally parking on Bridge Street last Junary 22. Defence was based in part on snowy conditions on the street and Vallemdorfer indicated he may appeal the finding.

A jury convicted Louis Rameriz of hit and run with damage to a highway patrol vehicle. Rameriz struck the official car while attempting to park. He had earlier pleaded guilty to intoxication in a public place. Judge Wilson fined him a total of $350 and put him on three years probation.

Adult Softball Program Planned by Rec District

Adult softball sponsored by the Truckee-Donner Recreation and Park District, will get underway as soon as the weather permits. Play will be held at the new district park.

The type of softball played will be "slowpitch," in which a 16 inch softball is used. It is the game which has taken over almost all of the college intramural programs and a major portion of all recreational programs.

Interested players, managers or sponsors should contact Randy Bobby, recreation superintendent, at 587-3090 or 587-4245.

Court Restrains Hospital Board In Doctor's Case

NEVADA CITY—Judge Vernon Stoll of the Nevada County Superior Court last Thursday permanently restrained the directors of Tahoe Forest Hospital from interfering with Dr. E. O. Hendrickson's privilege as a staff doctor at the Truckee Hospital.

The proceedings were to answer an order from the court of January 14 for the board to hold a hearing on Dr. Hendrickson, either at the doctor's request or on their own. Attorneys for both parties, Ronald Sypnicki for the doctor and Paul Chamberlain for the board, stipulated no such hearing had been held.

Chamberlain asked for a continuance of two weeks so the board could rescind the previous decision to deny Dr. Hendrickson full privileges.

Sypniki said he and his client were not in favor of the continuance and asked for a decision by the judge without further delay.

The court agreed, saying the matter should be resolved and issued the restraining order, without prejudice to the board. Without prejudice in the order, said the court, the board was still able to follow normal procedure and hold a hearing. If they find that Dr. Hendrickson should be denied the privileges of a staff doctor the board can petition the court to rescind the restraining order.

Mrs. Archie Given Honors by Stead

Mrs. Roxie Archie of Gateway is the proud recipient of two documents of recognitioon from the U. S. Air Force, Air Training Command. In his letter of transmittal, Col. James F. Reed, commander at Stead Air Force Base, said that the base and command "deeply appreciate the unselfish contributions you have made to the success of our survival training program."

The colonel expressed the hope that after the phase out of the base "these items will, upon occasion, act as a reminder of our many faithful years of association together."

One is a sealed parchment certificate from the ATC, recognizing assistance in accomplishing the survival training. The other is the Stead Survival School's own, less formal recognition, "ordaining" the local woman a "Genuine, Woodsmoked, dyed in the Teepee Survival Instructor" from Stead AFB, "Home of the Walking Air Force."

Rebekahs Will Welcome Visiting Lodge Leaders

Naomi Rebekah Lodge No. 2 of the I. O. O. F. will hold its regular meeting tonight at 8 p. m., in the Odd Fellows Hall. District Deputy President Mona Williams, accompanied by District Deputy Marshal Sybil Ridinger, will make her last official visit for this year. This is a formal meeting, and all members are requested to be present. Refreshment committee is Janet Franklin, Callie Kydd and Jean Chapman.

On Friday, March 25, a group of members from Naomi Lodge will journey to Dutch Flat for the official visit of Rebekah Assembly President Lucille Krecek. Dinner will be held at the Monte Vista Inn at 6:30 p. m., with a meeting to follow at 8 p. m. in the Dutch Flat IOOF Hall.

Junior Ski Tournament Is Moved Forward

Jim Brehler, president of the Lake Tahoe Ski Club, announces the annual Lake Tahoe Junior Invitational meet, tentatively scheduled for next weekend, March 26-27, has been postponed to later in the spring.

Brehler said that so many of the skiers and officials have been participating in the Junior Nationals and other meets recently, making in difficult to properly organize the Tahoe club's event at this time.

RECREATION BOARD MEET

The Truckee-Donner Recreation and Park District board will hold a special meeting tonight at 7 p.m. at the County Building. Some of the topics to be discussed will be the park's summer program, park development and summer employees.

Board Rejects Tahoe Protest On 'Guest' Tax

TAHOE CITY — Latest efforts to persuade the supervisors of Placer County to accede to requests of the North Lake Tahoe community that a major portion of the motel room tax money collected there be returned to the area led to a vigorous debate between Joe Joynt, attorney for the petitioners, and County Counsel Dick Smith at an Auburn meeting March 15.

Joynt contends that the county's Uniform Transient Occupancy Tax should be administered as it is written or repealed. When the tax was first enacted, it was vigorously opposed by motel owners in this area until a preamble was adopted to the ordinance stipulating the tax would finance 50 per cent of the county chamber budget and the balance would be applied to benefit "that area from which the tax is derived."

The Tahoe people's attorney estimated that the room taxa from north Lake Tahoe will be around $250,000 this year and that approximately 91 per cent of the room tax revenue derives from this area.

The county counsel contends the supervisors are not bound by the ordinance's preamble and further tha they cannot legally spend the money in the manner requested by the Greater North Lake Tahoe Chamber of Commerce to promote the area. Smith further stated that, in his opinion, even if the funds could be so allocated, the board is under no obligation to do so but may determine alternate uses "reasonably calculated" to benefit the area of derivation.

Joynt persisted that the ordinance should be enforced as written, a completely new one written or the preamble repealed if it is without significance.

The north lake chamber originally submitted a budget to utilize a major portion of the room tax money it believed would be available after passage of the ordinance.

However, almost a year later, county counsel ruled that a state law disallows spending more than four cents per $100 assessed valuation for promotion of an area of the county, At that later date, August, 1965, the chamber outlined a program to improve beaches, parks and recreation areas on the north and west shores, to construct a community memorial building and several other projects, other than strictly promotional considerations.

Four of the five supervisors voted to uphold Smith's contentions. Bill Briner of Tahoe City, fifth district supervisors, was the sole dissenter.

A goood representation from the north shore was in attendance for the meeting, Lyle Gunkel, Stan Gray, Tahoe Vista; Oscar Lekang, Dennis Adams, Kings Beach; Jim Barclay, Wendell Russell and Bill Layton, Tahoe City. Betty Layton of the North Lake Tahoe Chamber was also present.

"Bub" Tobiassen Seeks County Post

Elton A. "Bub" Tobiassen, assessor-collecor for the Nevada Irrigation District, filed with the county clerk his candicacy for the post of Nevada County assessor.

Tobiassen bases his qualifications on the experience he has had as assessor-collector of the NID for the past 17 years. In this capacity, he is responsible for assessing over 200,000 acres in the county, representing 7,000 land owners, and he has knowledge of the details involved with property descriptions and the county parceling system.

The candidate was born and reared in Nevada City. He attended the University of California at Davis after graduating from high school. During World War II he served in the Coast Guard and in 1942 married Marjorie Bonivert of Grass Valley. They have raised three children and have one grandchild.

Son of the late Sheriff Carl J. Tobiassen, he has been a property owner in the county for over 20 years. In addition to numerous civic and fraternal affiliations, Tobiassen is chairman of the assessors, collectors and treasurers unit of the State Irrigation Districts Association, being elected in 1960 and re-elected in 1963.

Education Association Scholarship Party Set

The Tahoe Truckee Educational Association will hold its annual May Party Scholarship buffet on April 29 from 7 until 10 p. m. in the Crystal Bay Club.

Dwight Souers, general chairman of the event, expressed confidence that the community will support this worthwhile project, as in the past and the affair promises to be interesting and pleasant.

The buffet will have a variety of foods including the sea foods, roast beef and turkey.

Wedding License—

A Reno wedding license was issued recently to James E. Easton and Tina Elledge, both of Tahoe City.

WEST SHORE NOTES . . .

BY ELLEN ATTARDI
Telephone 583-3917

A sporting event of great interest to all the young in heart in the area will take place on Sunday, April 3rd when the Lake Tahoe Sierra Emblem Club will revive the great classic, the snowshoe race. This Easter Bonnet Snowshoe race will take place at the Tahoe City Golf Course, with the races and a steak-champagne breakfast starting at 10 a. m.

This great classic last took place here in 1961 when it was held at Alpine Meadows and sponsored by the Lake Tahoe Ski Club and there are many grudges still to be settled from that race, including the rivalry of the Hospital Auxiliary team (captained by Nancy Tomlinson) and the Monday Night Bridge Club team (captained by Chick McBride); the hurt feelings of Rod Stollery who was hipped off the course while competing for the Alpine Meadows team; the ire of Jack Starratt, Bill Briner and Gordon Moyer who were all officials at the race and who were subsequently accused of favoritism; and best-costumed Herb Kahn who says it's his turn to rip off a costume.

Publicity chairman Sybil Anderson has announced that there will be four awards given, the first for the best time, the second for the slowest time and two others for best costumes (men's and women's). Mrs. Anderson also stated that competition will be by six member teams and that the entry fee will be $5.00 per team. Information on entries may be obtained by phoning Mrs. Anderson at 583-3261.

Officials of the race include Pat Vanni, chairman; Charles West, food; Macie Henko, course; Sally Lusky, team arrangements; Nelle Gilmore, co-chairman; and Herb Kahn, head judge.

Spectators are cordially invited to attend the event and for their convenience the champagne and steak breakfast will be served, at $2.50 per person, from 10 a. m. to 12:30 noon. After that time, lunch will be served.

Begovich Seeks To Be District Senator

State Senator John C. Begovich announced he would run for re-election to the state senate from District No. 3. The district includes all of twelve counties: Alpine, Amador, Calaveras, El Dorado, Lassen, Modoc, Nevada, Placer, Plumas, Sierra, Stanislaus and Tuolumne.

Begovich said the district was so large that "it demands a state senator prepared to devote full time to public service if the people are to be properly represented.

"I pledge exactly that" he declared. "With reapportionment, a part time legislator for twelve counties is obsolete. He simply won't have time to do the job — no matter how sincere he may be.

"I was one of the small band of stalwarts in the legislature who fought to the end against reapportionment," Begovich reminded. "But, now that it is a bitter fact, we must compensate against our loss by the quality and vigor of our remaining representation. Otherwise, we will be "squeezed dry" by Southern California.

"I am one of those who have the mountains and valleys of Northern California in my blood and bones. I was born and raised in Jackson — in the heart of the Mother Lodge. I get aggressive when the interests of the district are threatened or when the state responds slowly to its needs.

"My record shows that I have been a fighter for the district. I have fought for:

1. Better roads and highways.
2. Water development that would protect the counties of origin.
3. A solution to the polution problem of Lake Tahoe.
4. More state support of the schools to ease the burden on local property taxpayers.
5. Wages for state employees comparable to those paid by private industry.
6. Relief for our senior citizens afflicted by inflation.
7. Every measure intended to keep agriculture healthy and flourishing.
8. Every legitimate need and aspiration of labor, as the railroad workers and lumbermen know.
9. The veterans of every war, including those now fighting in Viet Nam."

Begovich was first elected to the State Senate in 1960 and re-elected in 1964.

William C. Sanford, Sr., Reno attoreny, has been elected to the Sierra Pacific Power Company's board of directors. Before World War II, Sanford was manager of a sales and maintenance program for the company at Lake Tahoe.

TB Fund Drive Into Final Week

One more week remains in the 1965-66 Christmas Seal campaign which closes March 31. The amount of $4,845 has been received to date, of the $5,000 quota strived for.

The Tuberculosis and Health Association of Nevada County hopes that everyone used Christmas Seals on Christmas mail and packages, and that they sensed a feeling of helping in the fight against tuberculosis in Nevada County.

Contributions will still be accepted to the close of the campaign if over the holiday bustle of activity anyone overlooked contribution.

Chritmas Seal dollars work all through the year, in case-finding efforts, in the education of professional people specializing in TB, in the provision of needed funds.

They help to pay for research into better methods of prevention, diagnosis and treatment. Christmas Seals are behind unremitting efforts to find and close the gaps in TB control.

Meeting Slated

Secretary Jean Armstrong announces the regular board meeting of the Truckee Cemetery District will be held in the Nevada County Government Building Monday, March 28, at 7 p. m. with President Earl K. Stice presiding.

Insurance Boost For Students at Sierra

ROCKLIN—Sierra College students will pay $4 per year for insurance coverage from now on, Business Manager George Alman reported today, following board of trustee action last week.

The $2 per semester fee will go to the Student Insurance Company of Los Angeles and will cover all on-campus accidents in which students might be involved. The action, based on legally allowable fees, will protect students whether they like it or not, according to Alman.

The district already provides "catastrophic" insurance for injuries over $5,000 which might occur on campus. The college will also pick up an additional $2 per student athlete to protect these youths from possible competitive injury.

Some 25 colleges in northen California already carry the policies, according to Alman.

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Office of Architecture and Construction, Room 1228, 1120 "N" Street, Sacramento, California; until 2:00 p.m. Tuesday, April 5, 1966, at which time they will be publicly opened and read in Hearing Room in Basement at said address, for the construction of OFFICE BUILDING, CALIFORNIA HIGHWAY PATROL, TRUCKEE, NEVADA COUNTY, CALIFORNIA, (W.O. APOO-020 C), in accordance with the plans and specifications therefor and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises a one-story concrete block and wood-frame office building with attached garage units, having a combined floor area of aproximately 9700 square feet.

Construction includes site preparation, grading and paving, chain link fence, planting and sprinkler irrigation, concrete, concrete blocks, carpentry, millwork, structural glued laminated members, acoustical tile, thermal insulation, aluminum windows, wood and metal doors, aluminum sectional doors, dry wall, built-up roofing, shake roofing, sheet metal work, ceramic tile, vinyl asbestos tile, aluminum flagpole, metal toilet partitions, painting, mechanical and electrical work and other work as indicated.

Bids will be entertained on a lump sum basis only.

Plans and specifications, forms of proposal and Bidder's Bond may be obtained by requesting them in writing from the Office of Architecture and Construction, P. O. Box 1079, Sacramento, and they may be seen at the Office of Architecture and Construction, 1120 "N" Street, Sacramento, and the Builders' Exchange Offices.

A deposit of $25.00 (check made payable to the Department of General Services) will be required to guarantee safe return of the plans and specifications within 30 days after bid opening. Failure to so return both the plans and specifications will cause forfeiture of the deposit to the State.

No bid wil lbe considered unless it is made on a standard proposal form furnished by the Office of Architecture and Construction and is made in accordance with the provisions of Section 1B of the Specifications. Each bidder must be licensed and also prequalified when required (See said Section 1B.)

The Department of General Services reserves the right to reject any or all bids ,and to waive any informality in any bid received.

Apprentices: Pursuant to Section 1777.5 and 1777.6 of the Labor Code and in accordance with regulations of the California Apprenticeship Council, (See Title 8, California Administrative Code, Sections 18000 et seq.) and local apprenticeship standards for the trade, properly indentured apprentices may be employed in the prosecution of the work.

Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex-officio the Administrator of Apprenticeship, State Building Annex, 455 Golden Gate Avenue, San Francisco, or from the Division of Apprenticeship Standards and its branch offices.

It is State policy to encourage the employment and training of apprentices on public works contracts as may be permitted under local apprenticeship standards.

Prevailing Wage Rates: Pursuant to the provisions of Section 1770 of the Labor Code, the Department of General Services has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth in this notice. Copies of all collective bargaining agreements relating to the work to be performed as set forth in the aforementioned Labor Code containing information relating to wages, fringe benefits, subsistence, and travel pay are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type or workmen employed on the project.

If you take a minute to check our list of winning vehicle identification numbers, you may know how it feels this week.

The contest's in its last week. So hurry. Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster —the symbols *plus* the rest of the numbers— $2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past six weeks. Every week 72 winners were posted on the showroom wall.

You may have missed your number before.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number.

Contest Rules: Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Hurry. Buick's $1,000,000 Sweepstakes is in its last week.
There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

Interesting to read that Gib Landell has been named outstanding sportswriter for a Reno newspaper. The announcement was made by Bill Alexander in Salisbury, N. C., headquarters of the National Sportscasters and Sportswriters Awards program. Selection was made by their fellows in writing throughout the 50 states. Gib will receive a symbolic plaque and will qualify for the nation's outstanding sportswriter honors which will be announced on April 5 on the campus of Catawba College. Gib writes "Today's Lineup" and Under the Boards. Our readers will remember Gib when he was a Kings Beach resident. Our congratulations.

CLASS ACTIVITIES IN SCHOOL

TAHOE LAKE SCHOOL

Kindergarten—Mrs. Henke: We enjoyed a visit with Tim, the bus driver, on St. Patrick's Day when he showed a shillelagh that had belonged to his grandfather.

Peter Ororato introduced his mother to the class and passed a St. Patrick's surprise to the girls and boys.

Birthday honors were for Michelle Gregor, Mike Mariani and Scott ones. Scott introduced his mother to the morning class.

First Grade—Miss Bean: Our first grades put on a phonics demonstration at the March P. T. A. meeting. Most of our students were there and all of them participated in the drills. Our students who did the good chart work were Lisa Cordone, Ann Gardner, Heidi Chisholm and Megan Evans. Students showing how the vowel piano keys game is played were Patrick McCafferty, Kelly Cole, Brian Pundt, John Hanson and Bobby VanWetter. Our stage crew helped; good spellers in their own right, too, were Drew Briner, David Onorato, Larrry DeWalt and Brent Bonino.

First Grade—Miss Neal: Last week we combined forces with Miss Bean's class and put on a phonic demonstration for the P. T. A. meeting. Doing an excellent job of printing letters from dictation on stage were Carole Collins, Sandra Webb, Lana Hamilton and Marlene Speck. Top performers as wind-up toys making letter sounds were Joe Koblinsky, Melvin Haas, Carole Collins and Lana Hamilton. Giving strong background support to all during drills were Dean Austin Dan Baker and Hank Wright.

We celebrated Joe Pellegrini's seventh birthday and welcomed Debra Garrison and Sherry Whitson to our class.

We commemorated St. Patrick's Day by wearing green and learning a little bit about Ireland and its people.

Second Grade—Mrs. Steinhauser: One hundred per cent in dictation and spelling last week: Carrie Hanson, Jerry Stueven, Paul Baker, Rosey Cosby, Katy Klaussen, John Speck, Jon Von Nolde, Anna Chaput, Mike Evers, Leslie Garnett, Kathy Hicks, Barbara Anderson and Helen Haas.

Last week the children wrote letters in cursive to a class of children in Germany. Paul Baker, Katy Klassen, Carrie Hanson, Leslie Garnett, Liz Rogers and Monica Grigoleit all wrote excellent letters.

Third Grade—Mrs. Long: The newly elected officers for the next month are President, Colleen Conners; vice president, David Gau; team captains, Robert Atwater and Linda Parscale. Host, Glenn Holley and hostess Cherie Dittberner.

We were sorry to lose John Morton who went back to Oregon last week.

Fourth Grade—Mrs. Evans: Five boys in our class earned perfect scores in an important social studies test. They were Bill Alrich, Matthew Barulich, Henry Barwin, David Dodge, Mike Jones. Perfect spellers in a review test covering all of the units from the first of the year were Linda Kael and Julie Shaver.

Fifth Grade—Mrs. Kelly: Our class was happy to have Susan Gehlert rejoin us after a long absence and also to welcome a new student, Dan Williams, from Palo Alto.

Many excellent grades were earned on a recent social studies test on inventions and the inventors. A's and A-'s were received by Karen Read, Michelle Carnell, Jeff Osborn, DeeAnne Cline, Patti Tilton, Mark Champion, Lynn Cordone, Kathy Motta and Rudy Peterson.

TRUCKEE SCHOOL

Second Grade—Mrs. Scott: On the 45 word review test, these were the best spellers Bobby Jones, Danny Sales, Josef Suter, Kimberley Bee Causey and Terrie Teeples. Some only missed one. In the contest with Mrs. Marquette's second grade best spellers Teri Teeples, Linda Burke, Leslie Brinkley and Shawn Doyle were the best girls; Danny Sales, Robbie Affeldt, Josef Suter, Bobby Jones, Tommy Johnson, Randy King, Kirk Harris and Jerome Souers were top boys.

Third and Fourth Grades—Mrs. Roth: One hundred in the big five week review spelling test last week went to Ken McCarroll, Marc Price, Mike ones, Shirley Alexander, Phillip Black, Clifford Danner, David McCallen, Lisa Boeff, Colleen Carlson, Carolyn Rose, Colleen Wissenback and Kim Thomas. Those who missed only one or two words were Bruce Anderson, Greg Wurst, Miguel Chaves, Gail Daly and Kalyn Money.

We all appreciated the program brought to us by Mr. H. Toccalini of the U. S. Forest Service in observance of Conservation Week.

Seventh Grade—Mrs. Miles: In the test on the British Isles Charles Denney and Rosemary Campos received the only A's. Excellent maps were done by Tina Bequette, Rosemary Campos, Cathy Craig, Susan Fish, Bonnie Hampton, Donna Horman and Sharon Rogers.

In the seventh grade Spanish Terry Bell, Charles Denney, Bruce Fisk, Nola Houlgate, Sharon Rogers and Debby Jones received A's in the unit test. Eighth graders who received A's in their tests were Chris Wiser, Donna Comola, Cindy Griggs, Debby Harris and Anita Smith.

KINGS BEACH SCHOOL

First Grade — Mrs. McDown: Those making 100 per cent in spelling were Randy Withrow, Rodney Lee, Elwin Decker and Brad Richlin. Those making very good grades on arithmetic review were Ernie Spears, Lane Yeary, Bill Biggs, Patti Grover, Patrick Leathers and Greg Faber.

First Grade—Mrs. Corbin: Our banty hen has hatched five little baby chicks. We think they are darling. Everyone is taking turns helping with the duties. A card of congratulations was received from Mr. D. Smith, Mr. W. Sauby, Mr. J. Corbin and Mr. N. Gates. Fourteen children in our room had never seen a live hen or chicks. We have written and drawn many stories and pictures. The following people made 100 per cent in spelling: Group I: Lisa Holmstrand, Annette Ruhs, Mark Felte, Erik Hansen, Sally Shaw, John Bitler, Ann Cernusak and Cindy Elliott. No one made -100 per cent in Group II spelling.

Our huge relief map of Japan made of flour, salt and water is almost completed under the chairmanship of Billy Larson. His committee consists of Patricia Johns, Kathie Lee, Teresa Ferrari, Katie Felte, John McDown, Louise Plevel and Stuart Baxter.

Our large floor map which is a political map of Japan is about half finished under Buddie Bitler's chairmanship. His committee consists of Steven Brehler, Bob King, John Randall, Bonnie Nelson, Esther Kaspar, Judy Janzen and Linda Jerrems.

DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 B Street, Marysville, California, until 10 a.m. o'clock on April 14, 1966 at which time and place they will be publicly opened and read, for performing work as follows:

Nevada County, at Truckee Maintenance Station (03-Nev-5729), fuel storage and dispensing systems to be constructed.

Plans and specifications and forms of porposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth in Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the provisions in Section 2-1.07 of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

A touch of winter, then a touch of spring, seems to be the weather trend these days. It looks as though we'll need more spring temperatures to melt the ice on the lake, or that one clear spot will be mighty crowded with fishing boats opening day.

The Donner Lake Ladies Auxiliary enjoyed their meeting at Smart's Restaurant last Thursday evening. The tables were decorated with a lovely centerpiece of red carnations and white stock, compliments from Dick and Paula Quist from their Donner Gift and Florist Shop. Sky Miles, fire chief for the Donner Lake Fire Department, gave an interesting talk on the Mill fire and expressed the need for more equipment which will be donatd by the ladies auxiliary. Sky also mentioned that we will join with the Truckee Fire District in July and our local Donner Lake station will remain as a sub-station.

New officers were installed by Laura Horman and Bess Reid. These are: Melba Fisk, president; Gil Gilson, vice president; Bess Reid, treasurer; Paula Griggs, secretary; Marilyn Marquette, parlimentarian, and Maybelle Vahey and Marcella Corro, auditors. New board members are Louise McCallen, Laura Horman, Vi White, Ione Virus and Ozella Slate. The new officers were presented with lovely red carnation corsages. Past President Marilyn Marquette gave each outgoing officer a rain cap enclosed in an attractive gold key chain case.

SOCIAL SECURITY MAN COMING ON MARCH 29

A representative of the social security office at Reno will be in Truckee on Tuesday, March 29 and will be located in Room 3 of the County Government Building between 9 and 11:30 a. m.

This will give all people over 65 who have not yet signed up for medicare an opportunity to do so. Other social security questions will be answered, according to Arthur Johnson, manager of the Reno office.

Sierra Skiing . . .

Skiing was great over the weekend. The light covering of powder that fell early Saturday morning soon gave way to corn snow when the slopes warmed up.

Fur hats gave way to lighter straws, dark glasses and sun tan lotion were a must.

After putting on the annual Bill Freitas Memorial team race Saturday, won by Sierra Club, at Donner Ski Area, the Oakland Ski Club members decided to continue their skiing at night.

Fifteen enthusiasts skied down the old highway 40 route from the summit to Donner Lake, equipped with torches, flashlights, and two way radios.

Peter Benford, Gene Richards, Bob Stevenson, Elmer Nelson, Bill Doherty, Betty Strom, Jean Claude Mallein, Gene Herring, Ray McDown, Buster Bearden and his dad, Walt, Bob Ballard, Les Parry, John Wypich and John Delves found the old road well covered with snow except for the bridge.

Ginny Parry, Brenda Benford and Lelia McDown elected to drive their cars down the freeway and met the group at Donner Lake Lodge for warm drinks and dancing.

Several spent Sunday at Alpine Meadows where Oski president Bill Doherty announced that they plan to make the four mile run an annual affair, probably during National Ski Week.

Wendy Allen of the U. S. team had a fine second in the combined after placing third in the slalom behind Marielle Goitschel and Annie Famose of France.

Jimmy Heuga of Tahoe City was fifth in the slalom.

The American Internationals will be held this week at Sun Valley, Idaho, with the Swiss, French, Austrian, Canadian and U. S. teams meeting again.

March 24 will be the slalom, March 25, downhill and March 26 the giant slalom. On Sunday the Harriman Cup races will be held.

NEW SIGNS TO WARN MOTORISTS ON U.S. 50

SACRAMENTO — (CNS) — The state division of highways announced three new dual-purpose signs have been installed on U. S. 50 to give motorists additional advance information on road closures.

The seven by 14-foot signs have been installed just east of Placerville and two miles west of Kyburz, for eastbound traffic, and a half-miles west of Tahoe Valley junction, for westbound traffic.

The signs will designate exact location of a road closure by use of overlay markers. In fair weather, the signs will supplement regular mileage signs.

In seasons of possible closures, the signs will be yellow, with black legend, and will read "Closed at Pollock Pines," "Closed at Kyburz," or Twin Bridges, Echo Summit or Meyers, depending on the area affected by the storm.

RESOLUTION NO. 66-89

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, EXPRESSING SUPPORT AND DEVOTION TO THE MEMBERS OF THE ARMED FORCES OF THIS COUNTRY FIGHTING IN VIET NAM.

THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, DOES HEREBY RESOLVE THAT:

WHEREAS, young men of the County of Nevada, California, are engaged in mortal combat in Viet Nam in support of the Foreign Policy commitments of this Nation; and

WHEREAS, vociferous groups and individuals in our society have, by illegal demonstrations and otherwise, sought, and are seeking, to undermine this policy; and

WHEREAS, these actions have been given such vast publicity in the press, on radio and television, that many people, including those of hostile nations, have been erroneously led to believe that the majority of our people are not willing to support our commitments or uphold our national honor; and

WHEREAS, members of our armed forces, themselves convinced of the rectitude of our Asian policy, have expressed concern and shock over the apparent attitude of those for whom they are fighting, and are desirous and deserving of a forthright statement of our support for and interest in them.

duly elected representatives of the people of Nevada County

THEREFORE, BE IT RESOLVED, that this Board as the duly elected representatives of the people of Nevada County deplores the fact that the publicity given to the opinions of such a small minority of our people has tended to mislead the world into considering this country as deeply divided; and

BE IT FURTHER RESOLVED, that this Board hereby extends to the members of the armed forces its fullest support and warmest devotion to them as they perform their hard duty, thus assuring them that the spirit of patriotism is not dead in this country and that they are neither forgotten nor unappreciated by us; and

BE IT FURTHER RESOLVED, that copies of this resolution be sent to the President of the United States, to the United States Senators from this State and to Congressmen from this district for their information and edification, and to the several communications media for widespread dissemination to the public at large, and that further copies be sent to the legislative bodies of the cities of this State with the expressed hope and request that they will see fit to adopt similar resolutions.

PASSED AND ADOPTED by the Board of Supervisors of the County of Nevada, State of California at a regular meeting on the 15th day of March, 1966, by the following vote:

AYES: Supervisors Ricker, Bennallack, Hartman, Blake, Loehr.

NOES: Supervisors - None.

ABSENT: Supervisors - None.

INSURANCE COMPANY POINTS OUT COSTS IN BREAK-EVEN YEAR

State Farm Mutual, world's largest automobile insurer, barely managed the break-even point on its 1965 insurance business as it recorded sales of $828,873,227. Assets of the company topped the billion dollar mark for the first time.

After dividends to policyholders were paid, the company showed a profit for the year on insurance operations of $599,687—less than one-tenth of one per cent of sales. The net figure represented a gross underwriting return of $9,681,129, less policyholder dividends of $9,081,442.

Lauren Russell, who represents State Farm in this area, said that though the margin was thin, the picture was better than 1964 when a similar figure showed a loss of over $33 million.

Investment income in 1965 totaled $37,590,739 (compared to $33,013,872 a year earlier). After federal income taxes and other miscellaneous items, the firm showed a net gain on all operations of $37,807,757. This compared to a $433,648 loss in 1964.

President Edward B. Rust said it was the first time in three years that the company's auto insurance operation had climbed into the black. He doubted, however, that the thin thread of profit indicated a turn in the underwriting trend which has been steadily worsening in recent years.

"It's an extremely spotty situation," Rust said. "Losses continue bad in some states, are improving in others. Despite substantial rate increases last year our projections show that we can't expect 1966 to be as good as 1965 was. In other words, we anticipate we'll have red ink again this year."

Rust said inflationary trends in "everything the insurance dollar buys," coupled with a sharp increase in the number of autos on the road and steadily rising accident tolls, were major concerns of the auto insurance industry.

TWINS ARRIVE

Twins—a boy and girl—arrived at Tahoe Forest Hospital Monday, March 21, to Mr. and Mrs. Jackson D. Stormer of Tahoe City. The little girl weighed 5 pounds 2½ ounces on arrival while her older brother tipped the scale at 7 pounds, 5½ ounces.

The Bel Aires Trio Appearing at Lodge

CRYSTAL BAY—The talented Bel-Aires Trio continue to bring the crowds into the Topaz Room at Nevada Lodge, North Lake Tahoe's largest year-round resort hotel casino. They enter their fourth week this weekend.

Making the piano, bass and guitar respond to nimble fingers are Byron Long, Tony Sandifer and Walt Germaine in that order—who also blend voices in sparkling vocal arrangements.

The three men are not new to Nevada Lodge, having appeared there some four years ago. The Topaz Room spotlight will focus on them through Tuesday, March 29.

The Bel-Aires are truly a group of international scope, rith a background of appearances in England and France in addition to extensive travels throughout the United States. The public at large knows them through popular recordings on the Crown label, and exposure on the Ed Sullivan Sunday night television show.

in three inches of fresh snow when it skidded and turned over, temporarily blocking traffic.

Both men were taken to the Tahoe Forest Hospital for treatment.

Early the previous Wednesday, Gordon R. Evans, Hayward was driving on the highway, five miles north of Tahoe City, when his car was hit by a northbound vehicle. Damage was sustained by both vehicles and the other driver failed to halt. The highway patrol was alerted for the hit and run driver.

On the afternoon of March 17, ten miles west of Truckee, Larry E. White, 37, Sacramento, totalled his pickup truck when he sideswiped a PIE truck, driven by Linden E. Lesley, 42, of Sacramento. White, who was cited on a charge of making a bad pass, and his passenger, Robert D. Camper, West Sacramento, were taken to Tahoe Forest Hospital for treatment of injuries.

Sierra College Winter Sports Affair Tonight

ROCKLIN—Sierra College's annual winter sports banquet is being held this evening, March 24, in the campus center, reports Athletic Director Howard Woodside.

Various school officials and coaches from area high schools will attend, Master of Ceremonies Ken Forsythe stated.

Coach Paul Chesney's skiers who will receive letters are: Bob Stauts, Wally Rothgeb, Dean Yould, George Batchelder and Knut Olberg, all two year lettermen. Winning letters for the first time are Dennis Douglas, Einar Bekken, Greg Moore, Pat Fleming, Frank Carter and Tim Kennedy. Only Fleming of the first year lettermen is a sophomore; all others will be back in 1967.

Completion of the transcontinental telegraph ended the Pony Express in October 1861.

Killian Designated As Chairman of Drive to Sell Poppies at Lake

INCLINE VILLAGE—The appointment of Dick Killian as chairman of the V. F. W.'s annual Buddy Poppy sale was announced by Commander Rocky Reynolds of Veterans of Foreign Wars Post No. 7077, Lake Tahoe. Announcement was also made of the appointment of Pearl Draney as auxiliary chairman.

Buddy Poppies will be sold on the streets of Tahoe communities on May 28th, 1966.

Local V. F. W. and Auxiliary officers expressed a desire to make this year's sale of Buddy Poppies the biggest in modern times. They pointed out that today, with boys fighting in Viet Nam, we are reminded of our obligation to help those who gave, and are today giving, so much on our nation's battlefields. They pointed out that the continued high cost of living is placing an increased burden on our disabled and needy veterans and on those who are attempting to serve them. Those who buy and wear Budddy Poppies will make a substantial contribution to this worthy cause.

"It is hoped," said these V. F. W. leaders, "that our citizens will contribute generously, and help us remember hundreds of orphans in our national home at Eaton Rapids, Michigan."

MAP DRAFTSMAN I

Postal Services Fee Schedule on Rise

Postal patrons were reminded by Truckee Postmaster Louise McCallen of increases in money orders, insurance, registry, certified mail and C. O. D. rates effective March 26.

The new rates were announced earlier this year by Postmaster General Lawrence F. O'Brien, who pointed out that the cost of operating the five special postal services now exceeds revenues by more than $60 million annually. The postmaster general said the new fee increases should narrow the cost-revenue gap by about $36 million, based on business handled in the 1965 fiscal year.

The increases include:

Money Order Fees: Domestic money order fees will be increased by five cents.

Insurance Fees: The minimum fee bracket will be increased from $10 to $15 and the minimum fee will also go to 20 cents from 10 cents. Most other fees are to be boosted 10 cents. The maximum fee, now 40 cents, will be boosted to 60 cents for values above $150 to $200.

Registry Fees: The present 60 cent and 75 cent fees are to be combined into a single fee at 75 cents for values up to $100. Registry fees for articles valued in excess of $100 remain unchanged.

C. O. D. Fees: The present 40 cents and 50 cent fee brackets are to be combined into one bracket at a 60 cents fee for amounts up to $10. No change is to be made in fees covering items valued above $10.

Certified Mail: The fee will be increased 10 cents from the present 20 cents per item or to 30 cents.

North Tahoe Groups Emphasize Concern Over Lake Problems

TAHOE CITY — While South Lake Tahoe has received state and federal grants to solve the pollution problems of south Lake Tahoe, north Lake Tahoe remains a serious threat to the crys al clarity and deep blue color of Lake Tahoe.

The attention in recent months has been focused on the south end's problem because of their large popula'ion, but nevertheless, Lake Tahoe is receiving nutrient materials proportionately from the north end at the same rate as the south end.

In the past few months the North Tahoe Public Utility District and Tahoe City PUD have cooordinated their efforts in sewer line design to come up with a regional plan which will take care of the entire north area for all time.

This plan will cost 20 to 25 million dollars. The districts have agreed upon a portion of this plan which must be installed immediately if they are to avoid serious complications and possible overflow. The assessed valuations of the combined districts cannot finance this first step and the districts have determined that state aid will be required in the amount of $3,000,000 to prevent this possible disaster.

Unless immediate financial aid is received to help implement the exportation of sewage, it will be necessary to proceed with plans for local area treatment and disposal. This will require the expenditure of considerable funds which will be wasted in the overall plan for exportation of the sewage. Such expenditures would further exhaust the local area financing capability without contributing to the overall ultimate need for exportation of sewage from the basin, North Tahoe spokesmen contend.

This request is to be considered by the present budget session of the legislature, since Governor Edmund G. Brown has placed the matter of Lake Tahoe on special call.

Highways Division Asks Bid on Sierra Valley Job

The state division of highways is advertising for bids for the reconstruction of a four-mile section of highway 49 in Sierra County just north of Sierraville.

Proposals will be opened April 13 with $180,000 available for the work.

This project is part of a continuing program planned for improvement of the route between Sierraville and Loyalton. The new work to be done under this contract will connect on the north to a 2.7-mile section reconstructed several years ago.

Tax Installment Due Before or On April 11

L. J. Twitchell, tax collector for Nevada County, reminds residents of the eastern section of the county that the second installment of county taxes will become delinquent after April 11, 1966 at 5 p. m. After that date a six per cent penalty plus cost of $3 per item will be added.

Mail bearing a postmark of April 11, 1966 will be accepted, Twitchell concluded.

Accident at Floriston Basis for Court Suit

NEVADA CITY — A civil jury trial for $50,000 began in Superior Court Monday morning involving a bus and station wagon accident on Interstate 80 near Floriston three years ago.

Mary Schmidt filed the suit against Thomas Gamborel, owner of the station wagon, and Bernard Carucci, driver. Mrs. Schmidt was a passenger in the bus on March 3, 1963, when the collision between the two vehicles occurred.

Heart Fund Drive Under Full Swing, Says Leader

Mrs. Doris Wright, area Heart Fund chairman, reports the annual Heart Fund Drive in Truckee-Donner Lake area is in full swing.

Volunteers will be calling on local residents and places of business within the next few days.

The local drive is under the sponsorship of Naomi Rebekah Lodge No. 2 and Donner Odd Fellows No. 62 of Truckee.
